We're excited to announce the first phase of our new mausoleum is finished. We invite you to stop out and see for yourself how beautiful and unique this building is. Above ground entombment provides families comfort in knowing their loved ones are protected in a clean, dry, easy-to-locate, permanent structure. Keeping with tradition, we have included all charges into one low price with our New Mausoleum; e.g. bronze name plaque, memorial service at the Cemetery, entombment charges, and final date completion in the future. Your family will be grateful in knowing your arrangements are made and paid for ahead of time. Save even more when purchasing your casket from our Cemetery. We offer a variety of wood and metal caskets to fit any budget. When it is needed, we have it delivered directly to the funeral home of your choice, it's that easy.

Newly Remodeled Indoor Mausoleum

While you're here, be sure to see our newly renovated indoor chapel mausoleum. With more families asking to have their services held in this beautiful building, we knew it was time to update. Updates include: All new plush carpet, soft leather chairs and couches,

contemporary coffee and end tables, all new drywall, paint and wood finishes, ceiling tile replacement and electrical upgrades...nothing was overlooked. When a cemetery is perpetually cared for like ours, improvements are always being made.

Services can be held inside for FREE with ANY Mausoleum Purchase.
