

What is a Cemetery?

Lives are commemorated. Deaths are recorded. Families are reunited. Memories are made tangible and Love is undisguised. This is a cemetery.

Communities accord respect, families bestow reverence, historians seek information and our heritage is thereby enriched.

Testimonies of devotion, pride and remembrance are memorialized to pay warm tribute to accomplishments and to the life - not death - of a loved one. The cemetery is a homeland for family memorials that are a sustaining source of comfort to the living.

A cemetery is a history of people - a perpetual record of yesterday and a sanctuary of peace and quiet today. A cemetery exists because every life is worth loving and remembering - always.
